CERTIFICATE OF COMPLETION

This certificate is awarded to

Mohammad Ali Momen

For successfully completing from the AI School
at Part Specialized College of Artificial Intelligence.

This school was supported by the **PART ARTIFICIAL INTELLIGENCE RESEARCH CENTER.**

This student has participated in the following sections of AI 2021 Summer School

- Introduction to Python and Tensorflow
- Object Detection by Deep Learning
- Face Detection and Recognition
- Deep Learning Architectures for Image Classification
- Machine Learning System Design

- Neural Network Compression
- Deep Learning and Pytorch
- Anomaly Detection in Image and Video
- Introduction to Speech Processing
- Speech Recognition
- Time Series Analysis and Forecasting

- Reinforcement Learning
- Introduction to Natural Language Processing
- Deep Learning in Natural Language Processing
- Text Summarization

- Robustness of Deep Neural Networks
- Machine Learning in Graph
- Recommender Systems
- Generative Adversarial Neural Networks
- Advanced Topics on Deep Learning
